Festive Menu

Gather friends and family over the festive period and enjoy your entertaining by allowing us to prepare the food and take the “overwhelm” out of the process. These winter festive menus allow you to choose a few mains and accompaniments as a whole or to enhance your own offering.

Our portions are generous and we will gladly advise you on how many dishes to order to suit you and your guests needs. These dishes can be either buffet ready (if cold) or oven ready. They don't need a chef unless of course you would like to have a service team. Prices are per person unless stated otherwise.
